## Most Motels Not Going To Up Rates

Owners and representatives of 17 Gettysburg motels met Friday noon at the Lamp Post Tea Room to discuss problems arising from the expected influx of tourists during the height of the Centennial observance.

It was disclosed most motels have just begun accepting reservations for the June 30 to July 4 period. Many of these bookings were found to be "block" bookings, extending for several days.

Nearly all motels and hotels expressed their intention to maintain their present rates as posted with AAA in an effort to generate public "good will."

A plea was voiced for the tourist homes of Gettysburg to register with the Travel Council of office their phone numbers and location, so the council staff and motel operators can assist guests in finding accommodations. This applies also to any individuals who wish to open their private homes to guests, Travel Council officials said.

## Kennedy Proposes \$13.5 Billion Income Tax Cut In Three Steps To 1965

By FRANK CORMIER

WASHINGTON (AP)—President Kennedy proposed today the biggest income tax cut in history—a \$13.5 billion slash to take effect in three annual steps between now and 1965.

Individual taxpayers eventually would save about \$11 billion a year under the top priority program which Kennedy unveiled in his State of the Union Message to Congress. The rest of the benefits would go to corporations.

First-stage rate cuts proposed for 1963 would total \$6 billion—roughly equivalent to the biggest tax reductions of the past.

Kennedy said he wants individual tax rates whacked from the present range of 20 to 91 per cent "to a more sensible range of 14 to 65 per cent." He asked Congress to lower the top corporate rate from 52 per cent to the pre-Korea level of 47 per cent.

## COURT ORDERS TESTIMONY IN RIVERA CASE

The Adams County court, in an opinion handed down Saturday, has directed the Pennsylvania Workmen's Compensation Board to take additional testimony in the claim of Julio Rivera, New York City against John B. Peters, Gardners R. D., and Pennsylvania Threshermen and Farmers Mutual Casualty Insurance Company.

According to the opinion based on an appeal by Peters and the insurance company from an award by the Workmen's Compensation Board, Rivera, a Puerto Rican, was injured September 16, 1959, while employed at Peters' farm, November 13, 1959, a compensation agreement was approved by the Workmen's Compensation Board providing payment of \$15 per week to Rivera based on average weekly wage of \$16.67. Compensation was paid on the basis of the agreement until August 11, 1960.

After the claimant made a partial recovery from his injury he went to New York City and later secured employment there. When the defendant learned of the employment, he presented a petition for modification of the agreement on November 30, 1960. The petition was referred by the Pennsylvania Workmen's Compensation Board to the New York Workmen's Compensation Board for the purpose of taking medical testimony and establishing the earnings of the claimant after his return to work. At that hearing Rivera claimed he was paid 75 cents an hour for a 58-hour week rather than \$16.67 per week and the referee there indicated "This is something that the Pennsylvania Board will have to rule on."

### APPEAL WAS DENIED

## PAIR CHARGED AFTER MINOR CRASH HERE

Borough police investigated two accidents Saturday, one with the assistance of state police before the local officers were notified a crash had occurred.

At 11 o'clock Saturday morning State Policeman Clifford D. Lightner was halted on South St. He noticed a car going north on Baltimore St. with what looked like fresh damage to its fender and came to a halt along the curb.

Turning north, Lightner saw in his mirror the car pull away from its parked position and moments later noted a parked car with fresh damage to its side.

Lightner turned and headed south after the first car.

### TO FILE CHARGE

He stopped the vehicle at Two Taverns, four miles south, and found Mr. and Mrs. Ronald Eugene Miller, Gettysburg R. 1. The wife, Phyllis M. Miller, 21, was driving the 1953 car. They told Lightner that as Mrs. Miller was attempting to turn south onto Baltimore St. from Breckenridge St. she lost control of her car and it struck the side of a parked vehicle.

They had driven on south, saw the state police car and parked along the curb preparatory to telling the officer about the incident. But when the police car turned north, they "panicked" and left.

Officer Lightner then called borough police into the case and the local officers determined the parked car was owned by Florence W. Hettler, 59, 310 Ridge Ave. Damage to the Miller car was estimated at \$75 and \$70 to the parked vehicle. Local police said they will bring a charge of failing to identify herself at the scene of an accident before Justice of the Peace Anna Thompson against Mrs. Miller.

They also said they will bring a charge of permitting the leaving of a scene of accident without making identification against Mr. Miller who owns the car.

The other accident Saturday occurred at the intersection of Fifth and Hanover Sts. at 2 p.m.

According to borough police, Joseph L. Cicieris, 53, Aspers R. 1, was driving his station wagon east on the Hanover Rd. when Jay Dee Sperlock, 23, Leesburg R. 4, Va., headed north on Fifth St., ran through the stop sign and struck the station wagon causing \$75 damage to it and \$200 to the Virginia coupe. The Leesburg driver said he attempted to stop at the stop sign but his brakes failed and the car continued into Hanover St.

Two were hurt in an accident on the Lincoln Highway 14 miles west of here at Caledonia at 11:45 o'clock Sunday morning. State police said Clair F. Shillito, 46, York St., Biglerville, was driving west and sought to make a left turn just as another westbound car, driven by Lester Leroy Leasure, 21, Baltimore, attempted to pass Shillito's sedan. Leasure's wife, Ethel Marie Leasure, 26, was removed to the Warner Hospital by ambulance suffering from severe lacerations of the head. spoke of the importance of imbuing children during their first 12 formative years with reverence and an acquaintance with spiritual values. "Any spiritual substance the child get must come from the home," the speaker said, "and the kind of influence a home exerts depends entirely upon the kind of persons the parents are."

He said parents must utilize every means available through the church and Church School to develop the spiritual life of the child. "Parents must not assume a hands off attitude toward their child and his religion. Family life is on very serious. It is difficult to get the family together at one time and marital troubles are the result of lack of real religion on the part of the parents. Mixed marriages raise a barrier to a oneness toward religion in the family circle. The key to a successful home and family life is having God as the rock upon which the home is founded, faith in Jesus Christ and daily living under Christian principles."

## STRIKE THREAT FOR MIDNIGHT

PHILADELPHIA (AP)—Threatened with a paralyzing strike at midnight, mediators tried again today to break a stalemate in contract talks between Transport Workers Union Local 234 and the Philadelphia Transportation Company.

Some 1,700 of the local's 5,600 members met Sunday, and shouted approval of a plan to strike at 12:01 tonight, unless a new contract is agreed upon by then.

Mediators brought PTC and union officials together Sunday afternoon and again for three hours at night. Talks broke off about 11 p.m., with no report of any progress.

**Negotiations were scheduled to resume at 10 a.m.** Talks have stalled over a "no layoff" clause in the present contract. The company, pleading declining business, wants it removed from the new pact. The union says it will never sign a pact without the job security clause.

## Mrs. Lawrence Takes Final Curtain Call

By DAVE LEHERR

HARRISBURG (AP)—Tuesday will be a day of mixed emotion for Mrs. Alyce Lawrence when she takes her final curtain call as Pennsylvania's first lady.

At 12:08 p.m., William W. Scranton becomes governor and the outgoing chief of state, David L. Lawrence, and his wife will head for Pittsburgh and then Washington.

"It's hard to say how I feel really," the energetic first lady of the past four years said.

### SAD TO LEAVE

"It will be wonderful to get back to Pittsburgh because that's where our roots are. But it will be sad, too, leaving the many friends and acquaintances we've made here. I've loved every minute of being first lady."

The executive mansion, at Indian Gap, the friends, the thrills of being married to a governor — these were what Mrs. Lawrence talked about.

She recalled first coming to the mansion four years ago. She remembered the fun of gathering furniture and mementos from past first ladies to use in the various rooms.

### MANY MEMORIES

She recounted having 35 boy scouts from Pittsburgh for an all-day outing at the mansion two years ago.

She remembered the many teas and afternoons of entertainment for old and new friends.

She recalled the pleasant summers spent at the mansion, the enjoyable afternoon swims in the pool.

And most of all she remembered standing by her husband's side in the role of wife to the governor.

These are highlights of Mrs. Lawrence's stay in the executive mansion, but there is another part of Mrs. Lawrence's life few people know about.

It started 20 years ago after she lost two of her sons in a tragic auto accident in Pittsburgh.

Instead of letting grief get the best of her, Mrs. Lawrence began writing letters of sympathy to friends who experienced similar tragedies.

## HOUSE WILL REORGANIZE

HARRISBURG (AP)—The state House of Representatives reconvenes today to complete the reorganization task it began Jan. 1, the opening day of the 1963 General Assembly.

Both the House and the Senate have been in recess for almost two weeks because of the State Farm Show which ended last Friday.

The Senate returns Tuesday. The major item of business on the House calendar is the organization of the committees which will handle the pending legislation.

Much of this task depends on the fate of the proposal to reduce the current 35 House committees to 23, fixing the membership of each at 10 majority and five minority members.

House Speaker W. Stuart Helm said over the weekend he would be ready to appoint the chairman and vice chairman of the committees if the proposal is adopted.

## 41 ENROLLED

(Continued From Page 1)

of our Catholic high school students, to lessen the adverse impact on federal finances, Kennedy advanced two companion proposals that would aim in the same direction:

1. The enactment of tax reforms recouping \$3.5 billion of the revenues that would be lost through lower rates. Reforms would begin going into effect next year.

2. A plan to gradually speed quarterly tax payments by large corporations in order to boost revenues by \$1.5 billion without changing corporate tax liabilities.

Kennedy also emphasized a desire for haste in congressional consideration of tax legislation.

"URGENT TAX" he said. "Now is the time to act," he said. "We cannot afford to be timid or slow. For this is the most urgent task confronting the Congress in 1963."

The President did not specify any particular date on which he believes the initial rate cut should take effect. He merely said the first reductions should come this year.

Neither did he indicate the first-year impact on the federal budget.

Kennedy's new budget, for the 1964 fiscal year starting July 1, will go to Congress Thursday. It is expected to call for spending approaching \$99 billion.

### PLANS ECONOMIES

In one of his few references to the budget, the President said it will allow for "needed rises in defense, space and fixed interest charges." But he said it will hold "total expenditures for all other purposes below this year's level."

To do this, Kennedy said, he will call for "the reduction or postponement of many desirable programs," plus payroll and other economies.

These were among other highlights of the message:

—The state of the Union is good; "the recession is behind us."

—The state of the world is improving; "steady progress has been made in building a world of order."

### "ONLY BEGUN"

—"But we cannot be satisfied to rest here. This is the side of the hill, not the top. The mere absence of war is not peace. The mere absence of recession is not growth. We have made a beginning—but we have only begun."

—At home, Kennedy wants aid to education; help for unemployed youths; an expanded health program; strengthened guarantees of voting rights; increased competition and decreased regulation in transportation; a local mass transit program; a new farm program; more parks and recreation area.

—The state of the world is improving; "steady progress has been made in building a world of order."

## Kennedy

(Continued From Page 1)

joint session in the House chamber to hear the President deliver the address.

Kennedy described his tax package as "a fiscally responsible program—the surest and soundest way of achieving in time a balanced budget in a balanced full employment economy."

Although precise details won't be revealed until later this month, it was apparent the tax bill has been carefully tailored in an effort to meet anticipated opposition from congressional conservatives.

### COMPANION PLANS

Besides calling for gradual rate cuts, to lessen the adverse impact on federal finances, Kennedy advanced two companion proposals that would aim in the same direction:

1. The enactment of tax reforms recouping \$3.5 billion of the revenues that would be lost through lower rates. Reforms would begin going into effect next year.

2. A plan to gradually speed quarterly tax payments by large corporations in order to boost revenues by \$1.5 billion without changing corporate tax liabilities.

Kennedy also emphasized a desire for haste in congressional consideration of tax legislation.

"URGENT TAX" he said. "Now is the time to act," he said. "We cannot afford to be timid or slow. For this is the most urgent task confronting the Congress in 1963."

The President did not specify any particular date on which he believes the initial rate cut should take effect. He merely said the first reductions should come this year.

Neither did he indicate the first-year impact on the federal budget.

Kennedy's new budget, for the 1964 fiscal year starting July 1, will go to Congress Thursday. It is expected to call for spending approaching \$99 billion.

### PLANS ECONOMIES

In one of his few references to the budget, the President said it will allow for "needed rises in defense, space and fixed interest charges." But he said it will hold "total expenditures for all other purposes below this year's level."

To do this, Kennedy said, he will call for "the reduction or postponement of many desirable programs," plus payroll and other economies.

These were among other highlights of the message:

—The state of the Union is good; "the recession is behind us."

—The state of the world is improving; "steady progress has been made in building a world of order."

### "ONLY BEGUN"

—"But we cannot be satisfied to rest here. This is the side of the hill, not the top. The mere absence of war is not peace. The mere absence of recession is not growth. We have made a beginning—but we have only begun."

—At home, Kennedy wants aid to education; help for unemployed youths; an expanded health program; strengthened guarantees of voting rights; increased competition and decreased regulation in transportation; a local mass transit program; a new farm program; more parks and recreation area.

### ONE HUNDRED YEARS AGO

If a man during fifty years chews every day two inches of solid plug tobacco (and millions do it) it will amount at the end of that time to 9,365 feet, or a mile and a quarter of solid tobacco, half an inch thick and two inches broad, and it will cost \$1,500! What filth and folly!

**The Incoming Year:** Like a young maiden, comes the year, bright with youth's first glory, where the golden pen to write her life's yet hopeful story? Gladness waits on all her life's crowned brow with flowers; mirth and music, sisters gay, wing the pleasant hours. Ah! young year, thou'lt yet grow old, thy step will lose its fleetness; the coronal which decks thy brow will miss its boom and sweetness; and shadows dark will fill the sky, and dreams, so fondly cherished, will go to build the funeral pyre of hopes that early perished. Yet blessings on thee, thou New Year! We will not cloud thy promise of the loves and hopes which in the past went from us; but count each year a precious gem unto our life's crown given — a golden chain which lengthens out until it reaches heaven.

**General News:** In addition to the \$200,000 of Peter's pence the gifts sent to the Pope in commemoration of his Jubilee are estimated to be worth \$200,000,000. The national debt reduction during December was \$15,250,000 and the reduction during the year \$117,016,000.

## Today's Talk

**LOST ILLUSIONS**  
So many things are forever crumbling before our very eyes. Many of these things are mere illusions that melt under the sunlight of knowledge, experience and defeat.

I have watched the snow melt away in the winter time. I have seen the glory of ermine-covered ground give way to the green grass underneath. And so, with these lost illusions of ours, there is somehow something green and substantial beneath them to hearten us after they are gone.

The real beauty of human character glimmers under the lines of a face, beaten by many a soul storm. A kindly charity, a broad and elastic spirit of tolerance are born and a great deal of the world that formerly looked bad takes upon itself a glow of goodness.

There is no bloom to the flower until its stalk is firm, well weathered, and enriched by many a rain and wind. The little sprigs that help it through the firm earth at springtime die and give way to stronger ones that escort the bud to its color and fragrance.

We shouldn't be bothered about the loss of our illusions. They have their day and service.

It is not enough to learn these lessons of ours each day, we must remember them, and carry them along with us. And the lesson of our lost illusions is that there is always something better that replaces them. Even our shattered dreams are not in vain.

We grow happy by outgrowing unhappiness.

In our spare hours we construct triumphs! And people little guess that the poetry of us "runs underground," as Stevenson once wrote. Should we not be concerned mostly and deepest as to our nourishment? A man's heart, watered by the liquid notes of some songster of the wild, should chime its beats with those of all happiness, whether in the world of nature or of men.

The real tragedy of life is misconception — a failure to tune in, to float with the rhythmic waves of beauty, kindness, courtesy, and to properly appreciate the values of life as they appear.

## Just Folks

**THE FLORIST'S STORY**  
Some telephone for orchids, and they never ask the cost.  
Some toss them in the rubbish when the first pink blush is lost.

Some purchase them in clusters and their charm is quickly gone,  
But I know they've worked to get it when I sell them only one.

He was cold and he looked hungry and he seemed almost afraid  
As I counted o'er the quarters and the nickels which he paid.

"Shall I send it, sir?" I asked him.  
"No, I'll take it now," he said,  
"It's a present for a lady who is lying sick-a-bed."

"She has seen 'em in the windows  
And on many a pretty dress.  
We've walked by here to admire 'em, it's her favorite flower I guess!"

For the pretty things she's wanted all her life she couldn't pay,  
And she's never had an orchid, but she's getting one today!

## INAUGURATION OF SCRANTON TUESDAY NOON

By VINCENT P. CAROCCI  
HARRISBURG (AP) — William Warren Scranton, considered by some political observers to be an emerging face on the national Republican scene, will be inaugurated Tuesday as Pennsylvania's 103rd governor.

The 45-year-old millionaire is scheduled to take his oath of office at 12:08 p.m. in the State Farm Show Arena.

In two years, Scranton has moved from a freshman congressman to chief executive of a politically potent state.

### TALK OF '64

There is talk of still bigger things to come—namely, a possible presidential bid in 1964.

The governor-elect, himself, discounts the presidential speculation, however.

The problems of Pennsylvania are too demanding for him to seek the nomination of the national ticket, he has said, adding one must campaign for the nomination to get it.

But he did say he would respond to a draft if the presidential talk continues.

### TOWN JAMMED

Some 12,000 persons are expected to see Scranton take the oath succeeding Democrat David L. Lawrence.

With favorable weather, approximately a quarter-million people—most of them rejoicing Republicans—are expected to jam into the state capital as eight years of consecutive Democratic rule come to an end.

Hotel rooms in the Harrisburg area have been sold out for weeks. Many will stay in nearby Lebanon, Hershey and York.

### GOP COMMITTEE

The inauguration excitement begins to build this afternoon when the 113-member GOP state committee meets to select a new chairman.

George I. Bloom, the current chairman, resigned to become Scranton's secretary of the commonwealth.

The meeting will be followed by a \$100-a-plate victory dinner to assist in reducing, if not erasing, a \$368,000 campaign deficit and to provide a pre-inaugural celebration.

### LT. GOVERNOR FIRST

The day starts with Lt. Gov. elect Raymond Shafer's installation at 10:30 a.m. and ends with the inaugural ball Tuesday night. What the future holds for the governor-elect in national politics will be determined in a great degree to what success he has in the state capital.

The most obvious problem is unemployment and the depressing effect it has had on Pennsylvania's economy.

### EMPLOYMENT, EDUCATION

Pennsylvania has the greatest total number of unemployed in the nation, as well as one of the country's highest unemployment rates.

Eight successive years of Democratic attacks has done little to reduce the totals.

Scranton made the issue a major campaign weapon and has promised to alleviate it.

Education, with its incumbent fiscal and reorganizational issues, poses another obstacle to success.

## 89 REFUGEES ARRIVE IN U.S. ON LAST FLIGHT

By JOE MCGOWAN JR.

MIAMI, Fla. (AP)—The aerial exodus of refugees from Fidel Castro's Cuba has halted, following an airlift of 89 Cubans and Cuban-Americans to Miami Sunday. At present there are no plans for resuming it.

Red Cross officials announced there will be no more flights carrying ransom supplies to Cuba. Pan American World Airways, which suspended its twice-daily Miami-Havana flights at the onset of the Cuban crisis last October, is not anxious to resume the unprofitable service.

The Pan Am DC6B that made Sunday's refugee flight had taken 15,000 pounds of medicines to Cuba as another installment on the \$53-million ransom guaranteed Castro for release of the 1,113 Bay of Pigs invasion prisoners.

The American Red Cross said all future shipments of ransom supplies will be made by ocean freighter. The steamship Shirley Lykes presently is being loaded at Baltimore with 6,500 tons of food, drugs and medical supplies for delivery in Havana.

The Shirley Lykes will stop at Port Everglades, Fla., to load an additional 1,000 tons of supplies. She is expected to reach Cuba no earlier than Jan. 18.

A tearful, yet joyous scene unfolded at Miami International Airport when the 89 refugees arrived at 5:20 p.m. Sixty-eight of the group were Cubans possessing American citizenship. The other 21 were Cuban nationals but either the husband or wife had U.S. citizenship or their children were born in this country.

The U.S. Immigration Service refused to release names of arrivals.

The Cuban-Americans had lived in the United States previously and for one reason or another—mostly homesickness—had returned to their native Cuba.

They said they were returning to America because of problems in Cuba, including food shortages, inability to get work, and disillusionment with the revolution.

## HOPE'S TOUR EXHAUSTED LANA TURNER

By BOB THOMAS

**AP Movie-Television Writer**  
HOLLYWOOD (AP)—"It was a terrific experience and I'd love to go again," says Lana Turner of her holiday tour with Bob Hope to the Orient. "But I hope he doesn't ask me for a couple of years."

She is still recovering from the 12-day journey that took the Hope troupe to Japan, Korea, Okinawa, Taipei, the Philippines and Guam. The tour will be featured on the comedian's NBC television special Wednesday.

### RESTING SINCE

"I figured up that in the first five days of the tour I got a total of eight hours sleep," she said at her Malibu home, where she has been resting since her return on Dec. 30.

Lana has spent virtually all of her performing years in the confines of motion picture studios, and the rigors of a Hope tour were entirely new to her.

"I had never done anything like it, except during the war when we went on tours in this country to sell bonds," she said.

### MOST MEMORABLE

The most memorable part of the holiday trip was the journey to the border of North and South Korea by air. She got off the helicopter, saw a couple of soldiers on the opposite side of the fence and waved to them.

"Miss Turner!" an American officer said sternly. "We do not acknowledge them in any way."

"Oh, I'm terribly sorry," she apologized.

Hope was bolder, however. Seeing a couple of soldiers patrolling on the Communist side, he walked up and tried to engage them in conversation. They turned their backs on him and walked away.

### VOICE GAVE OUT

Lana said she managed to keep up with the continual grind of shows, officers' receptions and dinners, but her voice started to give out in Okinawa.

By the time the troupe got to Taipei, she had to carry her own microphone, into which she croaked her lines. She asked a doctor for help before one show and sprayed her throat. When she went onstage she panicked. She tried to talk and nothing happened. The doctor had sprayed her throat with novocain.

Somehow she managed to get the words out and she was able to finish the tour.

## Bullets Squeeze Past Lebanon Valley 56-55; Freshmen Triumph 88-58

Falling under the spell of a small, fast-moving Flying Dutchman team, the Gettysburg College basketball squad had all it could do to pull a close 56-55 decision out of the fire over Lebanon Valley Saturday night on the Bullets' floor before 1,800 fans.

Gettysburg actually turned out to be its own worst enemy. The Bullets were unable to connect on short jumps and easy tap-ins, hitting on 25 of 61 shots all night. The play making fell below par with sloppy passes and poor ball handling. Lebanon Valley played an excellent game, taking advantage of every situation.

Coach Don Grider's Dutchmen carried off a quick 11-7 lead with six minutes gone by in the first half. George Strouse and Doug Kepner rammed through five points to regain the lead but the visitors took a one-point 13-12 margin on Dale Hains' long jumper from the key. With 11:51 remaining in the first half, Roger Gaekler, Don Szedga and Ted Koerner pushed the Bullets to a 32-18 advantage. Gettysburg held the lead the remainder of the half despite a 35-33 shaving with 54 seconds to go. The score stood 38-33 at intermission.

### ATTACK BOGS DOWN

Going back into their shell, the Bullets were unable to connect for a single point during the first four and a half minutes of the second half. During that time Bill Koch, Bill Campbell and Hains put the Dutchmen back in the lead at 40-38. Finally at 15:30, Doug Kepner registered a free throw. After Hains hit for a foul, Szedga gave the Bullets their first goal of the half with a lay-up at the 15:13 mark.

The remainder of the half was tough and go with the score sawing several times. Strouse and Hains carried the big loads for their respective teams. Strouse knotted the count at 52-52 with 5:34 remaining. Eighteen seconds later Bill Koch went in for a two-hand lay-up. Again Strouse knotted the score at 54-54, this time with 2:55 to play. At 1:43 Koch tallied the Dutchmen's last point on a charity toss. Strouse put the Bullets in front with the game-winning goal on a short jump shot from the left side with 43 seconds left to play.

### STROUSE SETS PACE

Strouse was once again top scorer for the Bullets with 21 points. Koerner and Kepner each netted 10. Hains paced the visitors with 19 points while Koch scored 16. Kepner was the game's leading rebounder with 13.

Coach John Carpenter, substituting his entire bench throughout the game, saw his Gettysburg Freshmen rack up their sixth win in seven outings by walling the Lebanon Valley JV's 88-58 in the preliminary game. Five yearlings hit double figures with Bob Morris collecting 14. Lebanon Valley's Ken Hook was the big scorer with 22.

The midyear exams will shrink

## RAIDERS TAKE DOUBLE BILL

The St. Francis Xavier School basketball teams swept a twin bill at the expense of St. Aloysius in Littlestown Sunday afternoon.

Ron McClellan's regulars took their second Parochial League decision with a 29-18 verdict as Dan Brown netted 10 points and Mike Bizer nine. Joe Perat led the Littlestown outfit with 10.

In the preliminary the Red Raiders triumphed 22-8 with Dave James swishing eight tallies.

Next Sunday St. Vincent's of Hanover will come here for another league doubleheader, the preliminary starting at 1:30.

By JOE REICHLER  
Associated Press Sports Writer  
NEW YORK (AP)—If all the awards received by Maury Wills this fall were lined up side by side they probably would match the 104 bases the fleet-footed Los Angeles star stole last season.

The latest—and most important to Wills—is the Athlete of the Year for 1962 award which was voted him by a wide margin Saturday in the annual Associated Press poll.

"I've received many awards," said Wills today, "but this is perhaps the daddy of 'em all. I'm real happy about the honor."

"Wonderful to me"

"Everyone has been wonderful to me," said Wills. "My main aim from now on is to try and make myself worthy of all these honors. I have been trying to and hope I can pay back all these nice people."

### 18-FOOT PUTT WINS TOURNEY FOR G. PLAYER

By BOB MYERS  
Associated Press Sports Writer  
SAN DIEGO, Calif. (AP)—Golf star Gary Player is a positive thinker and proud of it.

So today, as the American PGA Champion from South Africa led the golfing nomads to the uncertainties of the Bing Crosby tournament at Pebble Beach, he could reflect on a putt he sank. It won the \$25,000 San Diego Open Sunday.

The putt measured 18 feet from the edge of the 18th green and Gary had to make it or go into a sudden death playoff with Tony Lema.

"You know," Gary said later, "I had a feeling I was going to make the putt. I had hit about five real solid putts which just missed the hole."

"I told myself I was due for one. That last one made up for all the ones I missed."

Player collected \$3,500 for his rounds of 65-65-70-270 and missed Mike Souchak's tournament record by one stroke.

He won by one stroke over Lema, with Bill Casper Jr. and Charlie Sifford tied for third at 272.

LOS ANGELES (AP)—Jim Taylor, s'ar fallback for the champion Green Bay Packers and voted the Associated Press National Football League Player of the Year, has hepatitis, it was disclosed Sunday.

LOS ANGELES (AP)—The Red Raiders triumphed 22-8 with Dave James swishing eight tallies.

Next Sunday St. Vincent's of Hanover will come here for another league doubleheader, the preliminary starting at 1:30.

## GEORGIA TECH WINS ANOTHER BY TWO POINTS

By ED CORRICAN

Associated Press Sports Writer  
If Georgia Tech basketball coach John Hyder survives the season without developing an acute case of the screaming meemies, he should get some sort of an award—maybe check his physicians to make sure he still has a heart.

Hyder's Yellow Jackets have run up a spotless 11-0 record, the only perfect mark in the Southeastern Conference. But Alfred Hitchcock wouldn't dare write some of the scripts.

Georgia Tech, No. 7 team in the current Associated Press poll, has won seven of its 11 games by a grand total of 12 points. The Yellow Jackets got past Kentucky, Furman and VPI by one point each, Florida, Georgia and Mississippi by 2, and Alabama by 3. Their latest chiller was a 73-71 decision over Mississippi in overtime Sunday night.

### TOUGHIE TONIGHT

Bill Eidson wrapped that one up with less than a minute left in the overtime.

Tonight, Georgia Tech meets a real toughie in Mississippi State, the defending co-champion, at Starkville, Miss. The Yellow Jackets, with a 2-0 conference record, still trail Alabama, 3-0, which is a fairly easy assignment in Florida tonight.

The Big Eight, Big Ten and Atlantic Coast Conference all have important games tonight.

In the Big Eight, Kansas State is at Colorado, which has been going through the league as though it is playing a bunch of midgeets. The Buffs, shooting for their second straight championship, are 3-0 after their 92-69 victory over Missouri Saturday night.

### BIG TEN CARD

In the Big Ten, Illinois, No. 5, in the AP poll and beaten only once all season, will try to run its conference record to 4-0 against Northwestern.

The Illini clobbered Purdue 106-86 Saturday night, while Ohio State, No. 4 in the poll and Illinois, No. 1 threat for the title, had to come from behind to defeat Michigan 68-66 behind Gary Bradds' 33 points.

Wake Forest entertains Virginia in an Atlantic Coast Conference game that's important to the Deacons. If they score their expected victory over Virginia, which has won only three games all season, they'll pull into a tie for the league lead with Duke, each with a 6-0 mark.

### BLUE DEVILS WIN

The Blue Devils moved ahead of Wake Forest with a 78-67 victory over Clemson Saturday night. Wake Forest clipped Virginia Tech of the Southern Conference 76-63.

Cincinnati, the nation's No. 1 team, ran its season record to 13-0 Saturday night by polishing off Tulsa 67-57 in a Missouri Valley Conference game. The Bearcats play tough Bradley Thursday.

Arizona State, No. 3, behind Cincinnati and Loyola of Chicago, rushed past Utah 80-65 and stayed atop the Western Athletic Conference with a spotless record. The high scoring Sun Devils have lost only once all season while running up 14 victories.

### PENN TAKES LEAD

Wichita, which hopes to give Cincinnati a run for the Missouri Valley title, defeated Bradley 79-60 and West Virginia firmed up its stranglehold on the Southern Conference race with a 100-97 victory over surprisingly rough George Washington. Texas pulled in front in the Southwest Conference by trouncing Texas Tech, 78-58.

Penn whipped into the Ivy League lead, vanquishing defending champion Yale, 60-50. Washington turned the tables on Southern California 62-61 to become a factor in the Big Six race.

## HOW TOP TEN FARED IN WEEK

By THE ASSOCIATED PRESS

NEW YORK (AP)—Here's how the top 10 college basketball teams in the weekly Associated Press poll fared last week:

1. Cincinnati (13-0) beat Texas Tech 75-58, beat Tulsa 67-57.
2. Chicago Loyola (15-0) beat Marquette 87-68, beat Western Michigan 107-69.
3. Arizona State (14-1) beat Brigham Young 89-84, beat Utah 80-65.
4. Ohio State (10-4) lost to Illinois 90-78, beat Michigan 68-66.
5. Illinois (11-1) beat Ohio State 90-78, beat Purdue 106-82.
6. Duke (12-2) beat Navy 85-70, beat Clemson 78-67.
7. Georgia Tech (11-0) beat Georgia 72-70, beat Mississippi 73-71.
8. Wichita (11-3) beat St. Louis 71-65, beat Bradley 79-60.
9. West Virginia (10-3) beat Davidson 89-73, beat George Washington 100-97.
10. North Carolina (6-2) lost to Wake Forest 78-70.

## Undeclared Gettysburg Wrestlers Gain Third Win At Elizabethtown

The Gettysburg College wrestling team battled its way through eight bouts in "knock 'em down, drag 'em out" fashion and came up with its third straight win of the season as they turned back a strong, powerful Elizabethtown outfit 15-9 Saturday afternoon in Elizabethtown.

During the course of the match, not one pin was recorded, which may come as a surprise to most Bullet followers who are accustomed to seeing several fast-striking falls inflicted on the opposition recently.

Phil Yost, Hayes Kline, Frank Ursomarmo, Pete McDowell and Jim Stouffer added points to the bullet column. Stouffer and Yost won by the most convincing decisions. Stouffer decided heavyweight Bob Yuminger 9-0 while Yost defeated 123-pounder Dave Hollinger 7-0.

Jerry Jackson defeated Gettysburg's Chris Ebert 5-3, John Shoemaker outlasted Bob Hughey 2-0 and Jake Lehman squeezed by Hank Phillips to account for the Blue Jays' nine tallies.

### NEXT MATCH JAN. 26

Coach Sprig Gardner's Bullets, now 3-0 on the season, will meet

one of its stiffest opponents of the year when Gettysburg entertains Lycoming January 26 in the physical education building.

The results:  
123 — Yost, G. decided Hollinger, 7-0; 130 — Kline, G. decided Dick Shelley, 6-3; 137 — Jerry Jackson, E. decided Ebert, 5-3; 147 — Shoemaker, E. decided Tughey, 2-0; 157 — Ursomarmo, G. decided Ed Hazel, 4-0; 167 — McDowell, G. decided Jerry Greiner, 4-3; 177 — Lehman, E. decided Phillips, 5-3; heavyweight — Stouffer, G. decided Yuminger, 9-0.

## RECORDS FALL BUT BULLETS SWIMMERS BOW

The Gettysburg College swimming team broke four of its school records but to no avail as Bucknell romped to a 67-23 decision Saturday afternoon in Lewisburg.

Coach Curt Coull's tankmen, who are coming up with much faster times than ever before, are also encountering faster opposition. The Bullets have lowered 12 school records since the initial meet of the season but are 0-3 on the season.

Avery Gentile set a new mark in the 200 individual medley, coming home in 2:30.5. Diver Scott Ashman bettered his own mark in that department by collecting 64.65 points. Gentile also lowered the school mark in the 200 backstroke to 2:28.8 while Curt Cheyne set a new mark of 6:14.1 in the 500 freestyle.

### WIN FOUR FIRSTS

Despite the better performances against the Bisons, the Bullets managed to capture but four first places. Ashman won the diving by two-thirds of a point over Bill Sheldon. Pete Wilson won both the 50 and 100-yard freestyles and the Bullet 400 freestyle relay team splashed home in 3:47.3.

The Bullet Freshmen capped only one first place in their losing efforts to the Bucknell Frosh 62-24 in the preliminary meet. Don Gregg set a school mark in the 200 butterfly, crossing the finish line first in 2:27. Bob Sells was the big winner for the Bison Frosh, winning both the 200 and 300-yard freestyles.

Due to the midyear examinations both Bullet squads will be idle until February 6 when they travel to Lancaster to encounter Franklin and Marshall.

Varsity results:  
400 medley relay: 1. Bucknell (Condit, Book, Smith, Ayers); 2. Gettysburg; 4:07.6. 200 freestyle: 1. Fleming, B.; 2. Nadal, B.; 3. Van Tackhove, G.; 2:02.50. 500 freestyle: 1. Wilson, G.; 2. ## SUBSTITUTION RULE ADOPTED

CORONADO, Calif. (AP)—Free substitution is back in college football after 10 years—but with variations.

The rules committee of the National Collegiate Athletic Association liberalized the substitution rule Saturday for the 1963 season.

Free substitution by either team will be allowed during all time outs and on all plays in a series except the fourth down and when the ball changes hands.

On the fourth down, each team can substitute two men on the present "Wild Card" basis. Also when the ball changes hands, two men may be sent in.

Time outs include any time the clock is stopped, including incomplete passes and an out-of-bounds play.

The old free substitution rule, in effect in 1952, allowed a coach to substitute any number of men at any time.

The new arrangement is expected to speed up the game by not requiring the recording of substitutions, and by allowing greater use of specialists.

Time outs have been reduced from five to four each half.

## COLLIER MAY COACH BROWNS

LOUISVILLE, Ky. (AP)—Blanton Collier was offered the job as head coach of the Cleveland Browns Sunday and is leaning toward acceptance, the Louisville Courier-Journal quoted a reliable source as saying.

# FILIBUSTER BATTLE WILL BEGIN TODAY

By JOHN CHADWICK  
WASHINGTON (AP)—Senators start battling today over proposals to put a tighter curb on filibusters.

The fight was to have broken out last week at the opening of the new Congress. But all sides agreed on a truce until President Kennedy delivered his State of the Union message.

The battle is a three-cornered one.

**OFFER NEW RULE**  
A bipartisan bloc of liberals will offer a new rule that would permit a majority of the members—51 of the 100 senators—to halt a filibuster 15 days after the filing of a debate-limitation petition.

Heading a middle-ground group, Sens. Clinton P. Anderson, D-N.M., and Thurston B. Morton, R-Ky., will propose a rule under which a time limit could be clamped on debates by three-fifths of the senators voting.

Tightly organized to resist any change in the present rule requiring a two-thirds majority of senators voting to limit debate are 19 Southern senators under the leadership of Sen. Richard B. Russell, D-Ga.

**NO GOP STAND**  
In what may be a promise to use the filibuster itself in the rules fight, Russell says: "We will take advantage of every opportunity to expose the inequity of gag rule in the Senate."

The issue is ticketed for discussion at a morning conference of Republican senators, but they are not expected to take any party stand on it.

Senators calling for a tighter curb on filibusters contend it is necessary for the passage of meaningful civil rights legislation over Southern opposition. Russell called this "just a smoke screen" for efforts to pass big money bills.

# HOWE SCORES 2 IN 4-2 VICTORY

DETROIT (AP)—Coach Sid Abel must succumb to hairsplitting and head scratching before discovering any fault Gordie Howe has had in 17 seasons with the Detroit Red Wings.

This one fault? Howe passes off too much when he should shoot himself.

Gordie is shooting much more now," said Abel in explaining one of the hottest scoring streaks in Howe's brilliant National Hockey League career.

Howe scored twice Sunday night—on two dazzling individual plays—as Detroit beat the New York Rangers 4-2. He has seven goals in the last four games. And his scoring has marked an abrupt turnabout in the Wings' long slump that followed their 10-game unbeaten streak at the start of the season.

Montreal tied first-place Chicago 2-2 and Boston deadlocked Toronto 2-2 in Sunday night's other NHL games.

# Scott Apologizes For Campaign Talk

WASHINGTON (AP)—Republican Sen. Hugh Scott has apologized to his Pennsylvania colleague, Democrat Joseph S. Clark, for remarks he said were made in the heat of the election campaign last fall.

Scott said Sunday he felt he stayed pretty well within the rules of political debate but thought that toward the end he "went over the line" in associating Clark "with the views of groups with which he was not necessarily in sympathy."

An aide to Scott said later that Scott would not elaborate on what groups he referred to.

Scott made the apology in a radio-television report taped for Pennsylvania stations—the first as the two senators resumed their bi-weekly series for the fifth year.

# MacArthur To Meet Feuding Factions

BALTIMORE (AP)—Gen. Douglas MacArthur is scheduled to hold his first meeting with representatives of the warring National Collegiate Athletic Association and the Amateur Athletic Union Friday in New York, the Baltimore Sun says.

Writing for the Monday editions, the Sun's sports writer Larry Null said Louis J. Fisher, president of the AAU, confirmed that Friday had been selected as the tentative date for arguments to begin.

MacArthur was appointed by President Kennedy to referee the dispute between the NCAA and the AAU that already has disrupted the indoor track season and threatens to seriously hamper the Pan-American and Olympic games.

Eugene M. Orner, son of Mr. and Mrs. C. H. Orner, Fairfield, R. I., recently spent two weeks with his parents following completion of basic training. He will report to the Great Lakes Naval Hospital upon his return. His new address will be: Eugene M. Orner, HA, USN, 6883129, General Detail, Hospital Corps School, USNCTC, Great Lakes, Ill.

# BEARS RECLAIM LEAGUE LEAD; BEAT BUFFALO

By THE ASSOCIATED PRESS  
The Hershey Bears, boiling along at a furious pace have reclaimed first place in the Eastern Division of the American Hockey League, but have their work cut out for them in shaking the rest of the jammed-up division.

Hershey took over the top spot on the strength of its fifth straight victory, a 4-2 triumph over Buffalo Sunday night that stretched the Bears' unbeaten string to seven straight.

Their lead, however, is anything but secure. Quebec, which held the No. 1 spot before losing to Providence 5-3 Sunday night is now tied with the Reds for second—just one point back of the Bears. In fact, the last place team in the five-team division, Baltimore, is only five points back of the leaders.

Rochester broke a 13-game winless string with a 3-2 edge over Springfield and Pittsburgh edged Baltimore 4-3 in other Sunday games.

Willie Marshall flipped in a goal for Hershey when the game was only 33 seconds old and the Bears were in charge the rest of the way. Les Duff and Pete Cochacher make it 3-0 before Western Division leader Buffalo got on the scoreboard. Keke Mortson added the Bears' final goal while Billy Dea and Aut Erickson scored for the Bisons.

In Saturday games, Hershey blanked Baltimore 5-0, Cleveland stormed over Rochester 6-1, Buffalo shut out Pittsburgh 4-0 and Springfield trounced Quebec 5-1. There are no games scheduled tonight.

# Agent Will Check Pro Grid Players

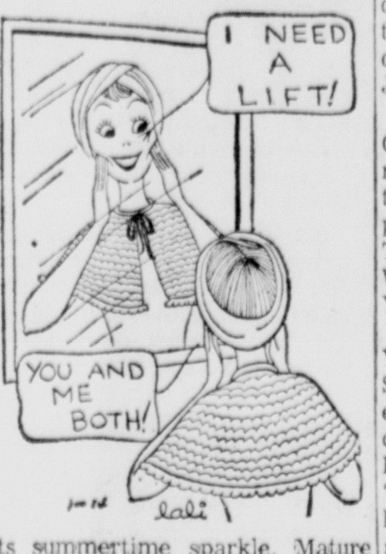

SAN DIEGO, Calif. (AP)—The American Football League is going to station an ex-FBI agent in every league city to keep an eye on potential player-gambler associations.

Joe Foss, AFL commissioner, says the move was prompted by investigations of alleged gambling influences in the National Football League. Owners of the eight AFL teams voted to strengthen the league's security system Saturday at the close of their winter meeting here.

# A Lovelier You

By MARY SUE MILLER

**SKIN BRACERS.** If a woman's wintertime life is spent mainly indoors, the chances are that her complexion has begun to lose

its summertime sparkle. Mature skin, in particular, grows dull and slack for want of fresh air and exercise. But, short of a vacation, what can be done about it?

The skin can get a complete change of scene, although you never leave home, simply by stepping up its care program. For the purpose, there are several new methods.

One makes use of gels for cleansing and treatment. An entirely new concept in the cosmetic field, gels are enticing clear, non-greasy, liquifying and water-soluble. Cleansing gels purport to leave the skin radiantly clean and supple.

Applications of a treatment gel redeem smoothness, especially around the eyes and mouth. The action stems from a unique formula compounded of placenta extract in a milk-serum base.

Another method offers a bracing lift via astringent cream. Not to be confused with astringents designed to control excess oil, astringent creams pamper dry skin in need of firming, refining and unlining. Dieters, too, could benefit from use, if the facial contours tend to slacken during a loss of weight.

Of course, you may have your own pet theories about how to ally the effects of weather and winter. And that's fine, as long as you put them to work for you.

**CREPEY THROAT AND CHIN**  
To firm and uplift sagging facial muscles and flesh, use my four-way method. It works wonders through corrective exercise, posture, skin care and make-up. Procedures are detailed in the leaflet, "B A N I S H CREPEY THROAT AND CHIN." ## MAY APPEAL DECISION ON COSTS IN CASE

WEST CHESTER, Pa. (AP) — Dist. Atty. Samuel Halpern of Chester County says he will decide within a few weeks whether to appeal a judge's ruling upholding a law allowing juries to place costs on acquitted defendants in misdemeanor cases.

"If we feel we should appeal said Halpern, 'it will be either to the Superior or Supreme Court.'"

Halpern said the precedent-setting decision upholding an 1860 Pennsylvania law will certainly affect cases tried from now on unless the decision is quashed. The 1860 law contains the same words of a law passed in 1805, which was upheld by the Pennsylvania Supreme Court in 1818.

### RELIEVED OF COSTS

"My offhand opinion is I don't think it (the ruling) will have any effect on cases where the costs have been paid. It might have some effect on cases where defendants have been ordered to pay the costs but have not yet done so," Halpern said.

The decision handed down Saturday by President Judge Thomas Gauthrop relieved Jay Claccio, of Schuylkill Township, of paying \$230.95 prosecution costs ordered by a jury which acquitted him last April of charges of pointing and discharging a deadly weapon. The American Civil Liberties Union appealed the case for Claccio.

In his opinion regarding the Claccio case, Judge Gauthrop said that the law violated the "fundamental fairness of the due process of the 14th Amendment."

"The act in question," said Gauthrop, "is totally lacking in any test or standards by which men of common intelligence can determine what conduct will result in imposition of costs, and allows unbounded latitude for difference of opinion as to circumstances in which it may be applied to acquitted defendants."

LONDON (AP) — Communist China is considering buying a fleet of 14 Britannia airliners offered for sale by British Overseas Airways Corp., a spokesman said Saturday.

A group of experts from China's aviation ministry, the Chinese Republic Airlines and the Chinese government machinery purchasing corporation are in Britain.

## EDITOR CALLED BEFORE COURT

PHILADELPHIA (AP) — Earl Selby, city editor of the Philadelphia Bulletin, and the newspaper's attorneys were called to court today to determine whether he should be cited for contempt for refusing to reveal certain information to the City Hall grand jury.

Selby declined last week to produce certain records and answer questions, citing a 1937 Pennsylvania law giving protection to a newsman's sources.

The district attorney's office asked that Selby be cited for contempt for refusing to answer the questions and for refusing to turn over records of the newspaper's investigation of alleged misconduct in some parts of city hall.

Saturday the Pennsylvania Newspapers Association expressed support for the Bulletin. Eugene Simon of Tarentum, president of the publishers' group, said, "The PNPA fully supports the Bulletin position and has instructed its attorney to prepare a brief as a 'friend of the court' for presentation along with Bulletin attorneys."
